

# DECCA "BIG SCREENS"

So now you feel you *must* have a television of your own! You *must* see those other occasions of royal pageantry . . . the royal drive down the course at Ascot, the review of the Fleet at Spithead. Then there is that breathtaking moment at Lord's or Old Trafford, those all-important finals at Wimbledon and, in the 1953/54 sporting calendar, the big football matches, the inter-varsity events and all the other things you've always wanted to see. Well, whatever the event, *Decca will dominate the day*, for every Decca Television is big screen television and is designed to give the utmost satisfaction on *all* points of performance.

SCREEN **4** FEET x **3** FEET

**Decca Model 1000 Projection TV** ideal for use in canteens, hospitals, schools, hotels and clubs etc. where a number of viewers have to be accommodated at the same time. Price **£165** including screen for hanging on wall. A cabinet unit to stand on the floor, incorporating a retractable screen, is also available at extra cost.
