TERMS OF GUARANTEE

In substitution for any statutory or other warranty or condition expressed or implied, the Company guarantees this Television Model to be free from defects in material or workmanship under normal use and service for a period of Twelve calendar months from date of purchase for cash or on deferred payment terms or date of hire purchase agreement. During this period, subject to the conditions stated below, the Company will replace or repair any defective part free of charge if the instrument is returned to the works or to any authorised service depot of the Company.

CONDITIONS

1. The Guarantee only becomes effective if the Guarantee Registration Card is duly completed and returned to the Company within one day of date of purchase, or of hire purchase agreement. It is applicable only to the original purchaser who has purchased for cash, or on deferred payment or hire purchase terms from an authorised "His Master's Voice" dealer at the Company's published retail selling price, and any claim must give particulars of the serial number and type, and date of purchase.

2. The Guarantee does not cover—

(b) consequential or resulting liability damage injury or loss arising from any defect or breakdown of the instrument, outside any hire;
(c) damage arising from accident, negligence, abuse, misuse or Act of God.

3. The Guarantee will be rendered invalid if the instrument is

removed or if any unauthorised alteration, modification or substitution of any part or parts of it be made or if the serial number is defaced or altered.

4. The return to the Company of the instrument or any part should it be necessary while in carriage paid to destination, the Company accepting no responsibility for damage in transit.

5. If the instrument or any part is returned for any cause not covered by this Guarantee all costs involved including a charge for inspection and handling must be paid.

6. If any service under this Guarantee is given by the Company at the user's home a charge will be made for expenses and labour.

7. The Company neither assumes nor authorises any person to assume for it any other liability in connection with the sale of this "H.M.V." Television Model.
